

# PSK-ESW

The PSK-ESW alignment kit is the recommended tool for achieving optimum orientation for the PSR-ESW radar.

This enables the radar to perform its corridor surveillance mission perfectly.

## TECHNICAL FEATURES

**DIMENSION**

216 x 68 x 74 mm

**WEIGHT**

600 g

**RANGEFINDER**

not included

**SCREW**

1 included

**CASE  
DIMENSION**

340 x 240 x 180 mm
